ASSESSMENT FUND
for current control and intermediate certification

(ELECTRONIC DOCUMENT)

By discipline	Туристское ресурсоведение / Tourism Resource Studies
Direction of training / specialty:	43.03.02 Tourism / International tourism
Graduate qualification:	bachelor
Mode of study:	full-time
Curriculum:	2021
Studied in 4 term	

Foreword

1. Funds of assessment tools are focused on assessing the achievement of learning outcomes planned in the educational program, and the level of formation of all competencies declared in the educational program.

2. The fund of assessment tools for current control and intermediate certification is developed on the basis of the work program of the discipline «Туристское ресурсоведение / Tourism Resource Studies» in accordance with the educational program in the field of training (43.03.02 Tourism), approved at the meeting of the NCFU Academic Council Protocol _____от «____» _____ 20__.

3. Developed by _____ M.L. Kardanova, Senior Lecturer of Sub-department of T&HB

4. Fund of assessment tools reviewed and approved at the meeting of the sub-department T&HB Protocol № ___ from «__» _____ 20__.

5. Fund of assessment tools agreed with the issuing Sub-department of T&HB Protocol № ___ from «__» _____ 20__.

6. The examination was carried out Fund of assessment tools. The members of the panel who conducted the internal examination:
Chairman   _____I.V.Ogarkova, Acting Head of (graduating) Sub-department of T&HB

_____O.A. Kartasheva, Associate Professor of Sub-department of T&HB

_____Y.V. Chernyh, Director of Travel Agency «Discovery»

7. Expert opinion: The fund of assessment tools for conducting current control and intermediate certification in the discipline «Туристское ресурсоведение / Tourism Resource Studies» corresponds to the work program of the discipline for students in the direction of preparation 43.03.02 Tourism and can be used in the educational process.

Chairman _____I.V.Ogarkova, Acting Head of (graduating) Sub-department of T&HB

_____O.A. Kartasheva, Associate Professor of Sub-department of T&HB

_____Y.V. Chernyh, Director of Travel Agency «Discovery»

8. Term of validity Fund of assessment tools: ___ academic year

1. Music, literary and theater festivals. Sport events. Fashion shows. Auctions.
Theme 9. The main tourist resources of the Caucasus Mineral Water region.
1. The history of the development of tourist and recreational resources of the CMW region.

1. Criteria for competency assessment.

Assessment "excellent" is given to the student if the theoretical content of the course is mastered completely, without spaces; comprehensively, consistently, clearly and logically harmoniously sets out the material; freely copes with tasks, questions and other types of application of knowledge; uses the additional material in the answer; all the tasks stipulated by the program are completed; the quality of their implementation is estimated by the number of points close to the maximum; analyzes the results; shows independence in completing assignments.

Assessment «well» it is presented to the student if the theoretical content of the course has been fully mastered, the necessary practical competencies are basically formed, all the training tasks provided for in the training program are completed, and the quality of their implementation is quite high. The student knows the material firmly, correctly and essentially sets out it, avoiding significant inaccuracies in the answer to the question.

Assessment "satisfactory" is exposed to the student if the theoretical content of the course is partially mastered, but the gaps are not significant, most of the tasks provided by the program are completed, but there are errors, the student admits inaccuracies in answering the question, insufficiently correct wording, there are violations of the logical sequence in the presentation of program material .

Assessment "unsatisfactory" is exposed to the student if he does not know a significant part of the program material, makes significant mistakes, hesitates, performs practical work with great difficulty, the necessary practical competencies are not formed, most of the training tasks provided for in the training program are not completed, the quality of their implementation is estimated by the number of points close to the minimum.

2. Description of the rating scale

Within the framework of the rating system, students' progress in each discipline is assessed in the course of ongoing monitoring and intermediate certification.

Current control

№	Type of activity of students	Terms of implementation	Amount of points
	4 term		
1.	Interview on themes 1-3	5 week	15
2.	Interview on themes 4-6	10 week	20
3.	Interview on themes 7-9	15 week	20
		Total for 4 term	**55**
		Total	**55**

The maximum possible score for the entire current control is set equal to 55. The current control measure is considered «pass» if a student got not less than 60% of the established maximum score. Rating score applied to the student for the current control measure, passed by a student on control activities schedule, is defined as follows:

Level of control task completion	Rating score
Excellent	100
Good	80
Satisfactory	60
Unsatisfactory	0

3. Methodological materials that determine the procedures for assessing knowledge, skills and (or) experience of activities that characterize the stages of formation of competencies.

The procedure for conducting this assessment event includes the selection and study of literature on the Theme of interviews, a brief summary of the material studied.

The interview allows you to check the formation of competence UC-1 - able to search, critically analyze and synthesize information, apply a systematic approach to solving assigned tasks.

To prepare for this assessment exercise of an increased level, it is necessary to prepare and present a detailed summary. Revealing the content of questions of a higher level, it is necessary to demonstrate an understanding of the essence of the stated.

In preparation for the interview, the student is given the right to use the materials prepared by him

During the interview, the following are assessed: the ability to conduct a conversation, the level of knowledge of the material, literacy, the sequence of presentation of the material.

28. Accommodation facilities.

Advanced level

To know:
1. World cultural heritage sites on the territory of Russia.
2. Functions of heritage sites.
3. Cultural landscapes as a resource for tourism development.
4. Tourist mythology.
5. National holidays and parades.
6. Theatrical shows.
7. Film festivals.
8. Gastronomic festivals (including wine and beer).
9. Musical, literary and theater festivals. Fashion shows. Auctions.
10. Sports events.

To be able, to master:
11. Public catering establishments.
12. Tourist facilities, complexes and institutions.
13. Leisure and entertainment enterprises.
14. Natural and climatic resources of the CMW region.
15. Natural tourism resources of the CMW region.
16. Tourist and excursion resources of the monuments of history and culture of the CMW.
17. The history of the development of tourist and recreational resources of the CMW region.

1. Criteria for competency assessment:

Assessment "excellent" is given to the student if the theoretical content of the course is mastered completely, without spaces; comprehensively, consistently, clearly and logically harmoniously sets out the material; freely copes with tasks, questions and other types of application of knowledge; uses the additional material in the answer; all the tasks stipulated by the program are completed; the quality of their implementation is estimated by the number of points close to the maximum; analyzes the results; shows independence in completing assignments.

Assessment «well» it is presented to the student if the theoretical content of the course has been fully mastered, the necessary practical competencies are basically formed, all the training tasks provided for in the training program are completed, and the quality of their implementation is quite high. The student knows the material firmly, correctly and essentially sets out it, avoiding significant inaccuracies in the answer to the question.

Assessment "satisfactory" is exposed to the student if the theoretical content of the course is partially mastered, but the gaps are not significant, most of the tasks provided by the program are completed, but there are errors, the student admits inaccuracies in answering the question, insufficiently correct wording, there are violations of the logical sequence in the presentation of program material .

Assessment "unsatisfactory" is exposed to the student if he does not know a significant part of the program material, makes significant mistakes, hesitates, performs practical work with great difficulty, the necessary practical competencies are not formed, most of the training tasks

provided for in the training program are not completed, the quality of their implementation is estimated by the number of points close to the minimum.

2. Description of the rating scale

Within the framework of the rating system, students' progress in each discipline is assessed in the course of ongoing monitoring and intermediate certification.

Current control

№	Type of activity of students	Terms of implementation	Amount of points
	4 term		
1.	Interview on themes 1-3	5 week	15
2.	Interview on themes 4-6	10 week	20
3.	Interview on themes 7-9	15 week	20
		Total for 4 term	**55**
		Total	**55**

The maximum possible score for the entire current control is set equal to 55. The current control measure is considered «pass» if a student got not less than 60% of the established maximum score. Rating score applied to the student for the current control measure, passed by a student on control activities schedule, is defined as follows:

Level of control task completion	Rating score
Excellent	100
Good	80
Satisfactory	60
Unsatisfactory	0

Interim assessment

The interim assessment in the form of exam provides compulsory examination procedure, and evaluated 40 scores out of 100. If the student's rating score for discipline at the end of the semester is 60, then the program automatically adds 32 bonus points and puts the mark "excellent". The affirmative exam answer of the student is assessed by the rating scores range from 20 to 40 ($20 \leq$ Exam ≤ 40), less than 20 scores is «unsatisfactory».

Rating Exam Rating Scale 5-point system

Rating score for the discipline	Five-pointrating
35 – 40	Excellent
28 – 34	Good
20 – 27	Satisfactory

The final grade for the discipline studied in one semester is determined by the sum of the points scored for work during the semester, and the points obtained when passing the exam:

Discipline Rating Scale 5-point rating

Rating score for the discipline	Five-pointrating
88 – 100	Excellent
72 – 87	Good
53 – 71	Satisfactory
<53	Unsatisfactory

3. Methodological materials that determine the procedures for assessing knowledge, skills and (or) experience, characterizing the stages of formation of competencies

The examination procedure is carried out in accordance with the Regulation on the ongoing monitoring of academic performance and intermediate certification of students in higher education educational programs - undergraduate programs, specialty programs, master's programs - in NCFU.

The exam ticket includes 3 questions. The student has 30 minutes to prepare for the answer to the exam ticket.

The exam procedure allows you to check the formation of competence UC-1 - able to search, critically analyze and synthesize information, apply a systematic approach to solving assigned tasks.

Basic level questions allow to identify students' knowledge of the basic terms and concepts of the discipline, tourist and recreational resources.

Questions of an advanced level allow to reveal the students' possession of the skills for assessing cultural and educational resources for tourism purposes.

The student must be ready to fully and reasonably answer the questions of the examination card. The student is given 30 minutes to prepare to answer the exam ticket.
